1. COVID-19

Over a year since the first lockdown here in Canada and we remain mostly in a state of lock-down although have just entered into Stage 1 of opening. Our borders remain closed and that included the provincial borders for a while although opening up soon. I will always blame COVID-19 for my husband's death although he did actually die from a chronic illness. It was exacerbated by his inability to follow his normal patterns of life which included a lot of walking around stores both morning and afternoon. At home he just didn't feel like walking just for the sake of walking around the house. He badly needed to do that to keep up his muscle strength. He did bike but only once a day and just a short time. Trying to persuade him to do that three or four times a day was impossible unfortunately. The hardest thing I have ever done is watch my beloved husband slowly fade. His mind stayed bright and active for most of the time but gradually it too eroded and sadly he passed away on the 10th of April. It has taken me these two months to accept his death and will take a longer time to really learn to live my life without my partner of 54.5+ years. He will always be in my thoughts, in my mind and whenever I do any work I will remember how much he loved doing his genealogy. At first I thought I could not come back but I am struggling to find my own path.

- 2. Blake Pedigree Chart – Blake Museum at Bridgwater, Somerset and these charts are on their website (note the new location of this particular set of charts): <https://www.bridgwatermuseum.org.uk/museum-collections/blake-family-tree.htm>**

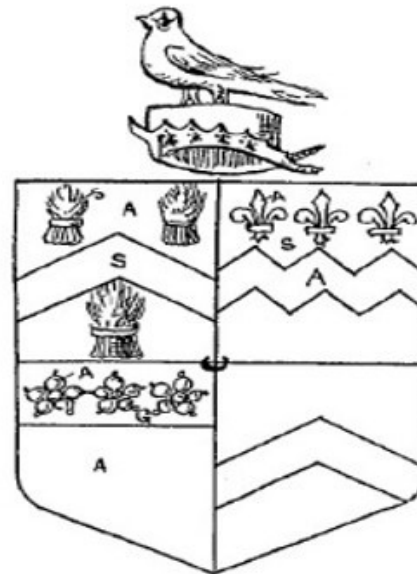

I have published items from all ten charts on the website. Part 2 has always interested me because it refers to the Hampshire Blake family. Interestingly this family has come under more scrutiny in the last thirty years with the marriage of HRH Charles, Prince of Wales and Lady Diana Spencer, Princess of Wales. In the published genealogy (The Ancestry of Diana Princess of Wales for Twelve Generations, Richard K Evans, NEHGS, 2007) for Diana, Princess of Wales, the twelfth generation contains a rather interesting couple Thomas Blake and Eleanor (Hall) Blake. Thomas Blake is said to be of Easton Town near Andover Hampshire and Eleanor Hall of Bradford, Wiltshire. Chart 2 has an erroneous beginning as far as can be determined. This particular information was either used by or created by Horatio Gates Somerby depending upon the date of this chart's creation. A chart produced by the College of Arms has a somewhat clearer picture of this family at Hampshire although it too appears to have a couple of entries that do not fit the wills.

The Visitation of Surrey 1662-8 has an interesting chart:

2. Richard.

Elizabeth 10 months old in the
tyme of the Visitacon a^o 1662.

This particular visitation does list Thomas Blake married to Elinor Hall. Most of the visitations list Sir William Blake of Kensington as the son of John Blake. Another interesting Blake Chart was located in the Survey of London, Volume 17 (The Village of Highgate, St Pancras, Part I) and published by the London County Council, The County Hall, London, SE 1936, Page 148.

The Genealogical Tree for Diana, Princess of Wales does not have entries past Thomas Blake and Eleanor Hall as they were the twelfth generation. He does move forward to Thomas Blake of Essington (Essington does appear to be an error that crept in as this family lived at Easton Town) and his sons Thomas and Richard. Left out of this chart is his daughter Mary Blake who married William Newland and the surname Blake disappears from the Pedigree of Diana, Princess of Wales as the Newland line marries into the Manley line and then to the Gore line as the Blake DNA travels down through the female line. Colonel John Gore married Bellamira Munbee and their son Vice Admiral Sir John Gore married Georgina Montagu. Their daughter Anne Francis Gore married Richard William Penn Curzon, the 1st Earl Howe. Their daughter Lady Mary Anna Curzon-Howe married James Hamilton, 2nd Duke of Abercorn. Their son James Albert Edward Hamilton, 3rd Duke of Abercorn married Lady Rosaline Cecilia Caroline Bingham. Their daughter Lady Cynthia Elinor Beatrix Hamilton married Albert Edward John Spencer, 7th Earl Spencer. Their son Edward John Spencer, 8th Earl Spencer married the Honourable Frances Ruth Burke Roche. Their daughter was Lady Diana Frances Spencer married to HRH Charles, Prince of Wales.

3. Blake Surname Study – Progress

Still in the process of redoing the classification of the kits. Hopefully I will get back to this in the Fall.

4. Blake Autosomal Study at FT DNA (Family Finder)

Useful on an individual basis but I can not report on matching as that would interfere in the privacy of the individual members. In some cases these are large matches and in other cases relatively small but that is the way with the inheritance of autosomal DNA. With each generation chunks of autosomal DNA can either be broken into smaller units or passed as a large chunk relatively intact. It is a purely random event. Due to privacy concerns it is not possible to produce a chart of the members who do have matches with other members of the group but each member is able to check that for themselves in their account. What would be helpful is adding a family tree to your account thus making it much more possible to find matching autosomal DNA

cousins in your research.

5. Andover, Hampshire, England, Parish Registers

Andover, Hampshire, England has often been said to be the “home of the Blakes” when I have been writing to people in Hampshire through the years. I would say that Calne, Wiltshire perhaps has a stronger hold on that particular title although there are a number of other areas in England where the Blake family has been for centuries. When I decided to transcribe the Parish Registers of Andover I was surprised to find that yes there are a number of Blake entries but there are far more Blake entries in Parish Registers in other parts of England as mentioned. In this issue, I will publish the baptisms for Blake in the Parish Registers. These records are taken from fiche which have scans of the original parish registers. The registers for baptisms begin in 1588 and have provided me with a lot of details on the Blake family in Andover in the late 1500s and into the 1600s/1700s. Eventually I hope to complete my project of transcribing these Parish Registers for St Marys Andover beyond the early to mid 1700s.

Baptismal Registers commenced in 1588 and I will start publishing these transcriptions for Andover.
