### **1. Discussion: The Book**

**Still mostly in the thought process as I am working on the Genealogical Tree for the Blake family of Andover Book.**

### **2. DNA and its value in the study**

**I continue deferring any discussion on Y-DNA within the study and that will continue until I complete the book likely. Another member of the Y-DNA project also has some interest and when time permits I will write back to him to discuss the possibility of a joint effort discussing the Y-DNA within the Pincombe-Pinkham study.**

### 3. Bishops Nympton Baptisms, transcribed by the author from the fiche of the original registers purchased in 2008
