- 1. Pincombe Charts, original One-Name Study at the Guild of One-Name Studies**

**The chart in this issue is labelled Great Torrington. The name of the individual at the top of this particular chart is Steven Pincombe said to be born in 1596 and married to Edith Blagden the 10<sup>th</sup> November 1621 at St Giles in the Wood. The names that appear at the very top of this chart are the individuals who provided material for this chart. Thus far I have not done any publishable work on this Pincombe family at Great Torrington. There is a family lore that places the ancestor of this family at South Molton prior to 1596. The original parish registers for St Giles in the Woods lists this marriage: Steeven Pencombe and Edith Blagdon married the 10<sup>th</sup> of November 1621. Who was Steeven Pencombe? Pencombe was the spelling used by the Pincombe family at North Molton (my ancestor was Thomas Pencombe and his wife Johane (surname unknown). The Pincombe/Pyncombe spelling was used towards the end of the 1500s in the North Molton area. According to this chart Steven and Edith Pencombe named their children Matthew, Thomas, John and Henry and they are said to be born at Beaford. Again you must not take this chart as being verified by me; I**

**share it because it exists. I have done some work on it and eventually hope to share some of that material with the study.**
