1. Pincombe Charts, original One-Name Study at the Guild of One-Name Studies

These Pincombe Charts were created by the two researchers in the original One-name-study at the Guild of one-name-studies. I reprint them with the thought in mind that others could add to the knowledge of these charts. I have reworked some of them and will publish that information when complete. I am publishing the Great Torrington chart which will fit in with the Beaford-Roborough-Great Torrington which was published in the Pincombe Newsletter, Volume 2, Issue 2. The information for this chart appears to have been provided from Pincombe descendants still living in this general area around Great Torrington/Barnstaple in the mid 1900s. The first person in this chart, Steven Pencombe said to be born circa 1596 and married to Edith Blagden 10 Nov 1621 at St Giles in the Wood, is unknown to me in regards to his parents. The marriage of Steeven Pencombe and Edith Blagdon is entered into the Parish Registers of St Giles in the Woods 10th of November 1621 (St Giles in the Woods is 3.2 miles from Great Torrington presently by road and

about 2 miles direct) . I am not able to verify any of the baptisms in this first generation. The marriage of Mathew Pinkcombe to Constance Goodwine 17 Apr 1649 was recorded in the Parish Registers at Dolton, Devon. Dolton is 7.4 miles from Great Torrington. No parents were listed in this registration. As mentioned earlier I share these charts with readers because they do exist. They should be used as an idea only and it is very necessary to verify the information presented.

References to “continued on Chart _” refer to the other charts yet to be published. This is Chart 3 which was revised by the original researchers January 1996. I have not yet done any work on this chart other than what I have listed above.

These tables represent many years of work at the record offices by the two original Pincombe-Pinkham family researchers and Richard Pinkham was a physician and able to make contact with some of the Pincombe families living in Devon. The names seen on these charts usually in the top corners are individuals who provided information for that particular chart. In the case of charts from the United States, Galen Pinkham has contributed a great deal of information to the descendants of the Pincombe/Pinkham family and this information can be found on the charts which he produced. I do remind other researchers that there are discrepancies in these charts and I would appreciate knowing of any that you may find so that eventually a corrected chart will be published.

Gertrude Pyncombe in her will names her cousin Thomas Carew of Crocombe, Esquire, his brother, also her cousin, George Carew and that they are the sons of John Carew and her goddaughter Elizabeth Carew. Other children of John Carew include John Carew, Margery Carew and Heatley (named as a brother). She names her cousins Mr Pouse and Mrs Mary Prowse. Other cousins named: Alice Banke, Penelope Sawbridge (widow), Peter Ellers and his children George and Anne. The Tuckfield family is mentioned but Gertrude does not refer to them as her relatives. However, the Visitation of Devon in 1620 does mention that John Pincomb of South Molton, Barrister of the Middle Temple, was living in 1620 but died before 1657. He had married Mary, daughter of Sir John Carew of Crowcombe, and that they had had one son Richard and three daughters (Elizabeth, Gertrude and Mary). Mary had married John Tuckfield 4 Jul 1657 at Crediton.

A copy of The Visitation of the County of Devon (with additions to the original Visitation of Devon produced in 1620) is attached below:

CREST:—An armed arm embowed ppr., purled Or, holding in the hand a Poland mace Arg., fastened to the arm with a scarf Gu.

... Pyramont¹ of Northwinton, came thither with the La. Zouch² about the beginning of the reign of K. Henry 7th.

* * The portion of this pedigree printed in *italic* is a copy of the Original Visitation of Devon 1620, Harl. MS. 1163, fo. 95 b, not signed.

³ The Visitation of Devon 1584 contained in Harl. MS. 1080, fo. 64 b, commences with this.

² The Original Visitation begins here.

³ Washfield Parish Register.

⁴ Southmolton Parish Register.

^b Crediton Parish Register.

Neither Elizabeth nor Gertrude married and the only known heirs ever listed to this estate were the Tuckfield family. Richard Pincombe left a will dated 19 Nov 1656 and the three sisters of the testator were granted administration 10 Apr 1658.

Tuckfield Family:

Elizabeth Tuckfield was baptized 14 Jun 1663 at Shobrooke, Devon daughter of John and Mary Tuckfield. She could be the Elizabeth Tuckfield who married Luke Heale 20 Feb 1693 at Crediton.

John Tuckfield was baptized 16 Apr 1665 at Shobrooke, Devon son of John and Mary Tuckfield.

Mary Tuckfield was baptized Jul 1677 at Cadeleigh, Devon daughter of John and Mary Tuckfield.

I have not at this time attempted to follow down any of these lines but not mentioning the Tuckfield as her near relatives leaves me with the thought that there were no descendants by the time of the writing of this will.

3. Autosomal DNA Study

No change has occurred in the Pincombe DNA study at FT DNA since the last Newsletter. It is not possible to discuss the autosomal DNA results that I do have and still protect the privacy of the individuals who are in the Study. The entire Pincombe DNA study at FT DNA includes 19 members of whom 12 have taken the Family Finder Test. I am still not yet ready to discuss the yDNA Pincombe-Pinkham family study.

4. North Molton Parish Records (Part 4)

These baptismal records are transcribed from the fiche of the original Parish Records for North Molton, Devon. I have changed the orientation of the newsletter to make it easier to publish the transcriptions for North Molton directly from my Excel file.
