### **1. Pincombe Charts, original One-Name Study at the Guild of One-Name Studies**

**These Pincombe Charts were created by the two researchers in the original One-name-study at the Guild of one-name-studies. I reprint them with the thought in mind that others could add to the knowledge of these charts. I have reworked some of them and will publish that information when complete. I am publishing the chart for Beaford-Roborough-Gt Torrington in this issue of the Pincombe-Pinkham Newsletter.**

**The link for the original chart (image below):**

**<http://www.kipp-blake-families.ca/Chart4.jpg>**

**This is not a set of Pincombe/Pinkham families that is familiar to me. However, I have been in correspondence with descendants of Arthur Pincombe who went to London, UK in the late 1700s. This line is further discussed on Chart 13 which will be published at a later date. I have entered the information from this chart into a Legacy file and have found more details on some of these lines which I will publish at a later date. Any information on any of these lines is most welcome and if you wish to write up an article on the family at Beaford-Roborough-Great Torrington it would be interesting to understand more about this line of the family. The record of the marriage for Steeven Pencombe and Edith Blagdon 10 Nov 1621 at St Giles in the Woods is from the parish registers for St Giles in the Woods. The original image is online at Find My Past.**

**His birth/baptism possibly between 1575 and 1605 can not be located. The spelling of the name is interesting as this spelling was also used by the family at North Molton in the early to mid 1500s. We are looking at a time period when the Parish Registers being regularly written down in a fixed book was just beginning. A number of the parish registers in this area do go back to the 1530s/1540s but not all have been transcribed and made available online. My own line was at North Molton and I do have William Pincombe with his wife Emotte Snow with their family of seven sons and two daughters with only a couple of the sons being traced down to the present.**

**These tables represent many years of work at the record offices by the two original Pincombe-Pinkham family researchers and Richard Pinkham was a physician and able to make contact with some of the Pincombe families living in Devon. The names seen on these charts usually in the top corners are individuals who provided information for that particular chart. In the case of charts from the United States, Galen Pinkham has contributed a great deal of information to the descendants of the Pincombe/Pinkham family and this information can be found on the charts which he produced. I do remind other researchers that there are discrepancies in these charts and I would appreciate knowing of any that you may find so that eventually a corrected chart will be published.**

**2. Will of John Pincombe of Molland (written 1837; probated 1840)**

**Source: Inland Revenue Wills - p 884**

**116 Day of April 1840**  
**117 before me**  
**118 Thomas Pincombe [signed]**  
**119 G M Mather B D Surrogate**

**This particular will belongs to my personal family line. John, the testator, his brothers William and Thomas, sister Grace are all living still. He mentions his brother Robert (and his children) but Robert Pincombe, my 3x great grandfather, was deceased in 1827. The testator was the son of John Pincombe and Mary Charlie/Charley who married 8 Nov 1767 at Bishops Nympton, Devon. This couple baptized all but their eldest son John at Bishops Nympton. The place of baptism and the date of birth of John are not known precisely. He was buried at Molland Parish Church 25 Jun 1838 and his age stated to be 70 (yielding a possible year of birth of 1768). His only known child was Mary Pincombe Thorne (daughter of Ann (Thorne??) Smaldon). He mentioned her in his will above.**

### **3. Autosomal DNA Study**

**I continue to have new matches with autosomal DNA with my many Pincombe cousins. The material has been handy with phasing my grandparents. Unfortunately it is not possible to share autosomal results online and still maintain privacy for the individuals in the various studies. I am still not yet ready to discuss the yDNA Pincombe-Pinkham family study.**

### **4. North Molton Parish Records (Part 7)**

**These baptismal records are transcribed from the fiche of the original Parish Records for North Molton, Devon. I have changed the orientation of the newsletter to make it easier to publish the transcriptions for North Molton directly from my Excel file.**
