1. Pincombe Charts, original One-Name Study at the Guild of One-Name Studies

These Pincombe Charts were created by the two researchers in the original One-name-study at the Guild of one-name-studies. I reprint them with the thought in mind that others could add to the knowledge of these charts. I have reworked some of them and will publish that information when complete. I am publishing the chart for Beaford (Roborough) - Ramsgate in this issue of the Pincombe-Pinkham Newsletter.

BEAFORD (ROBOROUGH) - RAMSGATE

CHART 5

REVISED JANUARY 1996

Eval Pincombe

Charted Dec 99

The link for the original chart (image below):

This is not a set of Pincombe/Pinkham families that is familiar to me. Any information on any of these lines is most welcome and if you wish to write up an article on the family at Beaford-Roborough-Ramsgate it would be interesting to understand more about this line of the family. The record of the marriage for Steeven Pencombe and Edith/Elizabeth Blagdon 10 Nov 1621 at St Giles in the Woods is from the parish registers for St Giles in the Woods. The original image is online at Find My Past.

The acknowledgements for this chart are found in the upper left hand corner mentioning the names of several people who live at Ramsgate or that general area (Ramsgate is a seaside town in the District of Thanet in East Kent (England) <https://en.wikipedia.org/wiki/Ramsgate>)

These tables represent many years of work at the record offices by the two original Pincombe-Pinkham family researchers and Richard Pinkham was a physician and able to make contact with some of the Pincombe families living in Devon. The names seen on these charts usually in the top corners are individuals who provided information for that particular chart. In the case of charts from the United States, Galen Pinkham has contributed a great deal of information to the descendants of the Pincombe/Pinkham family and this information can be found on the charts

which he produced. I do remind other researchers that there are discrepancies in these charts and I would appreciate knowing of any that you may find so that eventually a corrected chart will be published.

This particular Richard Pincombe appears to have died without any heirs other than his mother and sister. Gertrude (Richard's sister) Pincombe's will was published in Volume 2 Issue 4 of Pincombe-Pinkham Newsletter.

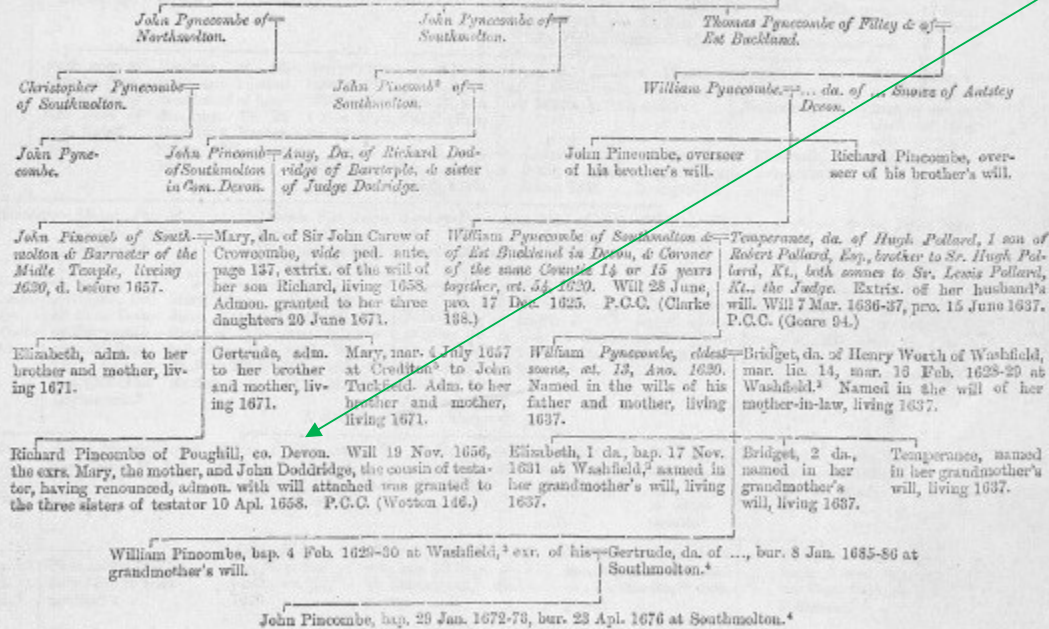

The earlier study does not refer to this Pincombe family unless I have missed that on the charts. This particular family can be found in the Visitations of Devon 1620 (with additions).

3. Autosomal DNA Study

I continue to have new matches with autosomal DNA with my many Pincombe cousins. The material has been handy with phasing my grandparents. Unfortunately it is not possible to share autosomal results online and still maintain privacy for the individuals in the various studies. I am still not yet ready to discuss the yDNA Pincombe-Pinkham family study.

4. North Molton Parish Records (Part 8)

These baptismal records are transcribed from the fiche of the original Parish Records for North Molton, Devon. I have changed the orientation of the newsletter to make it easier to publish the transcriptions for North Molton directly from my Excel file.
