1. Pincombe Charts, original One-Name Study at the Guild of One-Name Studies

These Pincombe Charts were created by the two researchers in the original One-name-study at the Guild of one-name-studies. I reprint them with the thought in mind that others could add to the knowledge of these charts. I have reworked some of them and will publish that information when complete. I am publishing the chart for Roborough – High Bickington in this issue of the Pincombe-Pinkham Newsletter.

The link for the original chart (image below):

<http://www.kipp-blake-families.ca/Chart6.jpg>

This is not a set of Pincombe/Pinkham families that is familiar to me. Any information on any of these lines is most welcome and if you wish to write up an article on the family at Roborough-High Bickington it would be interesting to understand more about this line of the family.

Find My Past has a record for a John Pinkombe Senior (90 years of age) buried 11 Jan 1640 at Roborough. There are mentions of burials for Jasper Pincombe (1652) and John Pinkcombe (1596) but I was unable to verify the children of the John Pincombe mentioned in the upper left corner.

The record of the marriage for John Pinkombe and Mary Moors 30 Jan 1614 at Roborough is listed in Boyd's Marriage Index. The original image is online at Find My Past with the name of John's wife given as Marye Moore in the parish register. The five children listed on the chart just below John and Mary do have records mentioned on Find My Past at Roborough as well with the death of the first John recorded as Jan 1615/16 and his baptism 3 Dec 1615. A second John was baptized 17 Nov 1616. Elizabeth was baptized 7 May 1626 daughter of John and Marie Pinkombe. Anthony was baptized 3 Apr 1629 son of John and Mary Pinkombe. A John Pincombe was buried 1 Dec 1647 at Roborough and his will was probated 1647 with place mentioned as Roborough.

More work is needed on this chart to verify the entries and add new information.

The acknowledgements for this chart are found in the upper left hand corner mentioning the name of one individual who has provided information to the original researchers.

These tables represent many years of work at the record offices by the two original Pincombe-Pinkham family researchers and Richard Pinkham was a physician and able to make contact with some of the Pincombe families living in Devon. The names seen on these charts usually in the top corners are individuals who provided information for that particular chart. In the case of charts from the United States, Galen Pinkham has contributed a great deal of information to the descendants of the Pincombe/Pinkham family and this information can be found on the charts which he produced. I do remind other researchers that there are discrepancies in these charts and I would appreciate knowing of any that you may find so that eventually a corrected chart will be published.

Temperance Pincombe was the wife of William Pincombe and this line appears on the North Molton – South Molton Chart (Chart 1-2). This William is said to be the son of William Pyncombe and Margaret Gregorye who married 26 Nov 1564 at Nouth Molton. This William Pincombe (married to Margaret Gregorye) being born circa 1540 and living at North Molton. The father of this William Pincombe is said to be William Pyncombe married to _____ Snowe and they lived at East Buckland (and North Molton). One generation back William was said to be the son of Thomas

Pincombe who lived at Filleigh and North Molton. Temperance was the daughter of Hugh Pollard and this line appears on the Visitation of Devon 1620 (copy included in this newsletter).

The Thomas Pincombe mentioned is, I believe, married to Johane (unknown) who left her will in 1563 (he appears to have left a will in 1544 which was destroyed during the bombing of the Exeter Record Office (World War II) and this will was written up in Volume 1 Issue 1 of the newsletter). The Visitation does have one of the sons of Thomas named William and married to the daughter of _____ Snowe of Anstey, Devon. There are three sons listed for this couple on the Visitation: William, John and Richard. William was married to Temperance Pollard and the exact transcription of the Visitation follows for the portion dealing with the testator and her husband:

William Pyncombe of Southmolton and of East Buckland in Devon, and Coroner of the same Countie 14 or 15 years together, aet 54, 1620. Will 28 June, pro 17 Dec 1625 P.C.C. (Clarke 138)

Temperance da. Of Hugh Pollard, 1 son of Robert Pollard, Esq, brother to Sr. Hugh Pollard, Kt., both sonnes to Sr Lewis Pollard, Kt., the Judge. Extrix of her husband's will. Will; 7 Mar 1636-37, pro. 15 June 1637. P.C.C. (Goare 94)

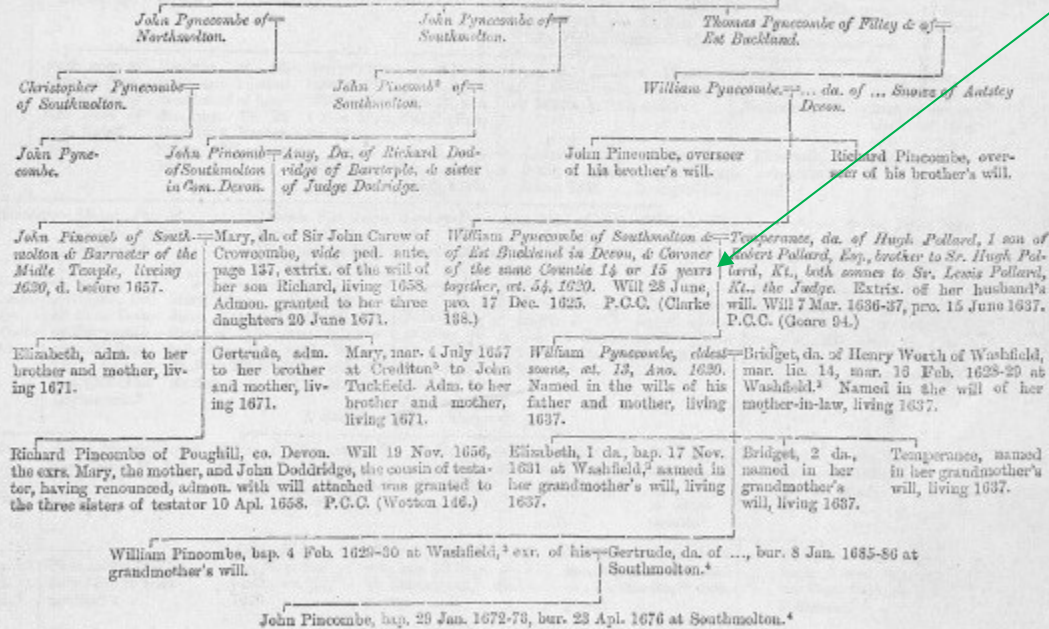

Richard the brother of Temperance Pincombe's husband is my ancestor. William, if he was 54 in 1620, would have been born circa 1566. His grandmother, Johane Pencombe, in her will of 1563 does not mention that her son William is married but does mention that her sons Richard and John are married and that they have children. The birth of this William son of Johane's son William after her death fits in with the will.

PINCOMBE OF SOUTHMOLTON.

 CREST:—An armed arm embowed ppr., purled Or, holding in the hand a Poland mace

3. Autosomal DNA Study

I continue to have new matches with autosomal DNA with my many Pincombe cousins. The autosomal matches are now taking me back to the late 1600s and I am working through a particular Pincombe line which is matched by one of my cousins to determine if the common ancestors for this particular match are John Pincombe and Johane Blackmore. Unfortunately it is not possible to share autosomal results online and still maintain privacy for the individuals in the various studies.

I am still not yet ready to discuss the yDNA Pincombe-Pinkham family study.

4. North Molton Parish Records (Part 9)

These baptismal records are transcribed from the fiche of the original Parish Records for North Molton, Devon. I have changed the orientation of the newsletter to make it easier to publish the transcriptions for North Molton directly from my Excel file.
