1. Pincombe Charts, original One-Name Study at the Guild of One-Name Studies

These Pincombe Charts were created by the two researchers in the original One-name-study at the Guild of one-name-studies. I reprint them with the thought in mind that others could add to the knowledge of these charts. I have reworked some of them and will publish that information when complete. I am publishing Chart 15 – Plymouth in this issue. This chart has had five contributors other than the original researchers – Joan Savor, Dorothy Anne Wood, Leonard Osborow, Ann West and Lewis C Pincombe. I have not done any work on this particular Chart. Perhaps in the years ahead I will do more work on these charts and I do hope that is the case.

The furthest back for this particular family set is Philip Pinkham b c 1768 and died 5 Nov 1803. He was married to Elizabeth Mumford (born 21 Mar 1762) 3 Mar 1782 at Stoke Damerel. The Banns for this particular marriage list Philip Pinkham as a soldier in the South Devon Militia and

Elizabeth as of this parish spinster. The witnesses appear to be standard witnesses. There are nine children listed for this couple and searching on Find My Past revealed:

Philip Pinkham baptized 13 Jul 1783 at Plympton St Mary son of Philip and Eliz Pinkham

No baptism for Elizabeth Pinkham 18 Jul 1784 at Plympton St Mary but there is a marriage of an Elizabeth Pinkham 4 Jul 1804 at Plymouth St Andrew to Thomas Duckham. The Banns reveal that Thomas Duckham served in the North Devon Militia and that Elizabeth was of the parish. Once again the witnesses appear to be standard. Since this information was provided by a descendant I will follow the record down. Sarah Duckham was baptized 22 Jan 1815 (born 6 Jan 1815) at Plympton St Mary daughter of Thomas and Elizabeth Duckham. A Sarah Duckham married James Andrews 24 Apr 1838 at Plympton St Mary. The father of Elizabeth is listed as Thomas Duckham (Labourer) on the marriage registration. Thomas Duckham has signed the marriage registration as a witness. A Thomas Andrews was baptized 1 Aug 1847 (born 10 Jul 1847) at Plympton St Mary son of James and Sarah Andrews. Checking the General Registry Office (GR)) a Thomas Andrews was registered in September quarter 1847 in Plympton St Mary Union and his mother's maiden name was Duckham. A Thomas Andrews married June quarter 1877 in Truro Registration District (according to Free BMD to Martha Cock. The information on the chart lists 29 May 1877 as the year of marriage of Thomas Andrews to Martha Jenkins Cock. A Percy Andrews appears on the chart as born in 1881. Checking the GRO I only found a Percy Andrews born Dec quarter 1881 in Plymouth Registration District with mother's maiden name of Bartle. Looking at the available information in the Chart Percy Andrews married Alice E Billing a marriage was located Sep

quarter 1914 for Percy E Andrews and Alice E Billing in Chesterton Registration District which lies in the county of Cambridgeshire. I was unable to find any further information.

Looking at the Line of Lewis C Pincombe son of Sidney T Pincombe and Mary Ellis. Find My Past locates his birth in the GRO as the June quarter of 1919 in Plymouth Registration District with mother having the surname of Ellis. He married also according to Find My Past Doris Zena Pluckrose 3 Dec 1941 at St Matthias Plymouth. Lewis died 26 Jul 1992 in Plymouth Registration District. Sidney T Pincombe said to be the father of Lewis and married to Mary Ellis 7 July 1918 in Plymouth Registration District appears on the Banns at St Luke Plymouth. His father is listed as Thomas Pincombe and his wife as Mabel Ellis daughter of John Ellis (she was born in 1882). This error was noted on the chart with a question mark as the submitter had given the name of his grandfather as James George Pincombe of Plymouth. The 1891 census lists Thomas Pincombe as the head of the family, married to Susan A with two children Edith M 10 years and Sydney T as 6 years. A Thomas Pincombe (born c 1854) married Susan Ann Harvey 25 Dec 1879 at St Luke Plymouth. Thomas (born c 1854) was the son of Thomas Pincombe according to the marriage registration. There is a marriage on Free BMD for Thomas Pincombe and Elizabeth Soby Sep quarter 1846 at Okehampton. The census of 1861 in which Thomas Pincombe (born c 1854) is listed at Okehampton has the head of the house as Mary Doby and checking the original census this is not the D usually written by the enumerator and is more likely an S so Mary Soby with daughter Elizabeth Pincombe who is a widow on the 1861 census with four children John Pincombe 13 years, Mary Pincombe 10 years, Stephen Pincombe 9 years and Thomas Pincombe 6 years (all grandchildren of Mary Soby). Chart 16 has Okehampton and this family can be found

there. It was just a small error and will check to see what I can find out about James George Pincombe born Mar 1861 at Plymouth and said to be the father of Sidney T Pincombe in Chart 15.

James George Pincombe is listed on the GRO born Mar quarter 1861 in Plymouth Registration District. His mother's surname was Rockey. William Pincombe married Elizabeth Rockey Jun quarter 1842 in Okehampton Registration District. This is a marriage found on Chart 16 as well. Some Pincombe members moved from Okehampton to Plymouth in the next generation including the correspondent who provided the original information for this chart. There are seven children listed for William Pincombe and Elizabeth Rockey none of whom are traced down. James George Pincombe died 28 Jun 1863 at Plymouth.

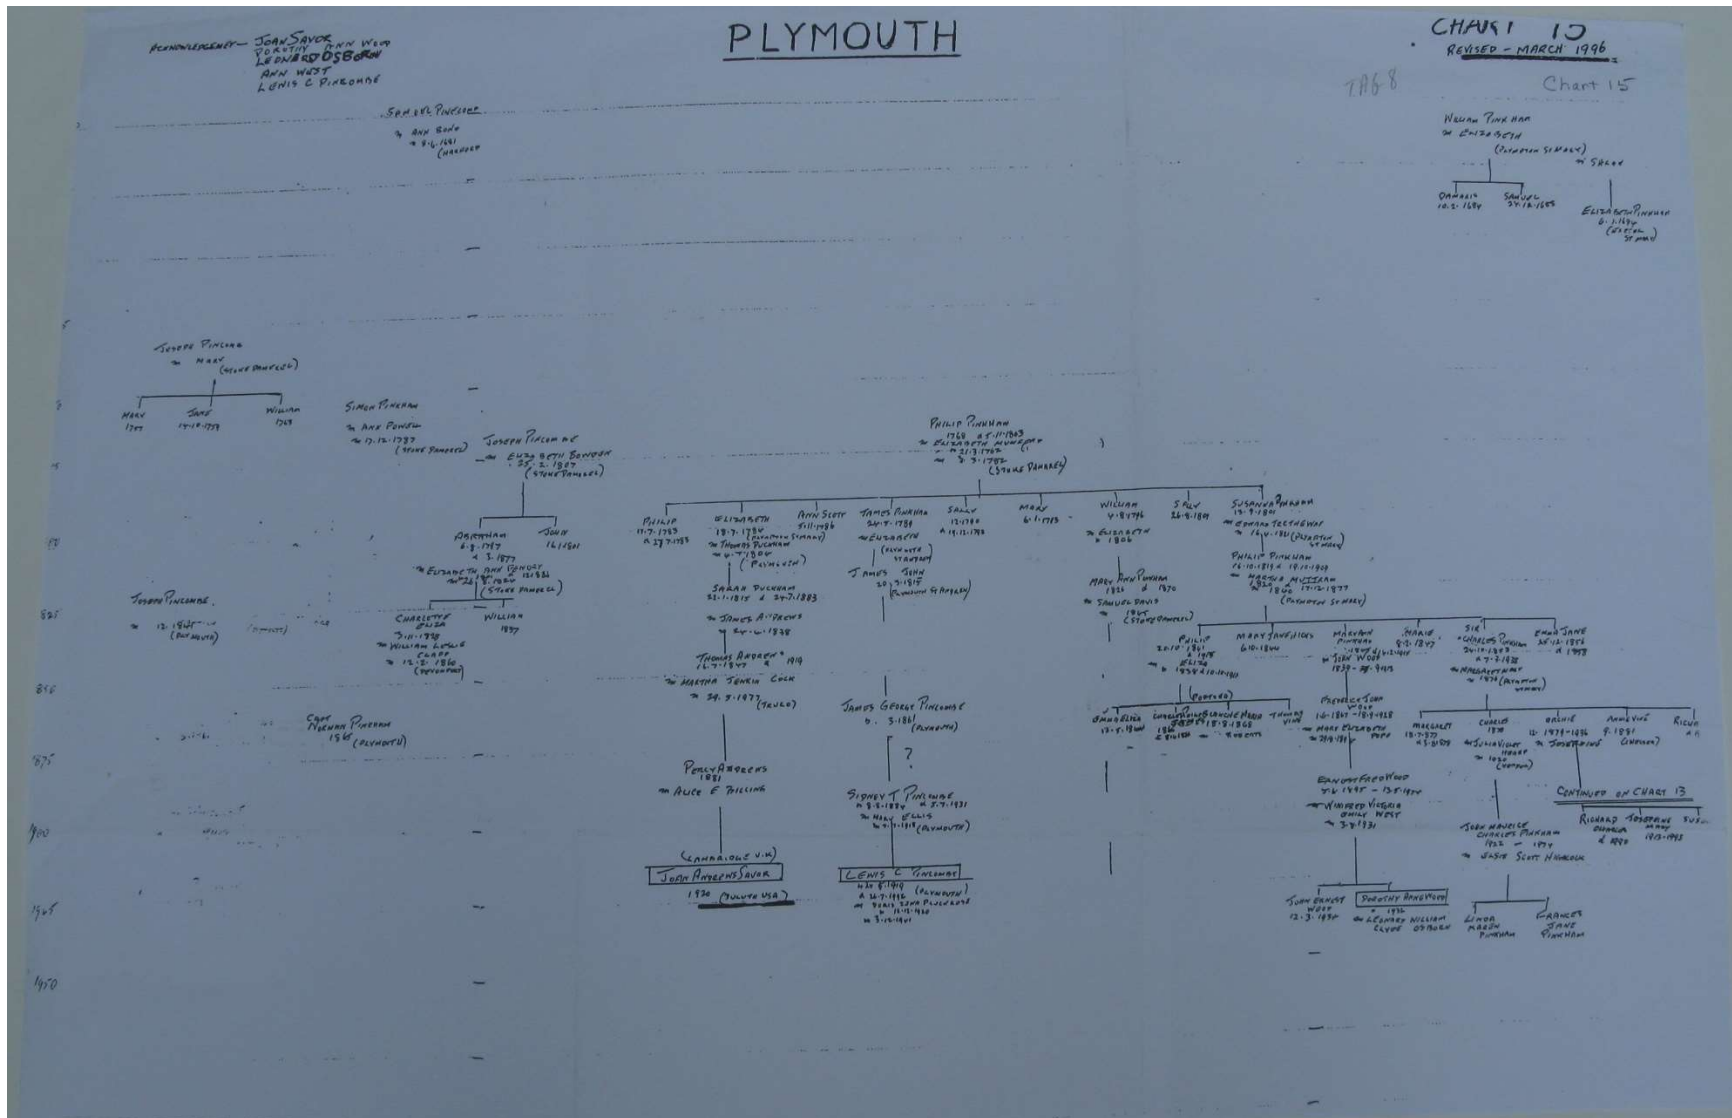

The next correspondent on Chart 15 was Dorothy Anne Wood who is shown as the daughter of Ernest Fred Wood and Winifred Victoria Emily West. Ernest F Wood married Winifred B E West in Bideford Registration District Sep quarter 1931 according to Free BMD (3 Aug 1931 on the chart). Dorothy was their eldest child. Ernest Fred Wood was born 5 Jun 1895 and died 13 May 1974 according to the chart. Free BMD lists his birth as Sep quarter 1895 in Plympton Registration District. The GRO lists his mother's maiden surname as Pope. Frederick John Wood married Mary Elizabeth Pope Sep quarter 1894 in Plympton Registration District according to Free BMD. Frederick John Wood is shown as the son of Mary Ann Pinkham and John Wood born 1 Jun 1867 and died 18 Sep 1928. The GRO has a marriage in 1866 for Mary A Pinkham and John Wood in Plympton Registration district. There is a Mary Ann Pinkham on the 1851 census at Plympton St Mary with parents Philip and Martha Pinkham. Philip Pinkham was born c 1819 at Plympton St Mary. Mary Ann is listed as 6 years of age (b 1845) with siblings Philip 9 years and Maria 4 years.

The Chart does list an older brother Philip (and an older sister Mary Jane Hicks) as well as a younger sister Marie. The Chart has Philip Pinkham born 16 Oct 1819, died 19 Oct 1909 and married to Martha Muttram circa 1840. They are said to be living at Plympton St Mary. The 1841 census for Plympton St Mary lists a single household with Philip Pinkham and Martha Pinkham both born in Devon. There is a parish marriage at Charles the Martyr Plymouth between Philip Pinkham and Martha Matrum celebrated 19 Jul 1840. The parents could not be found for Philip Pinkham and the chart suggests that his mother was Susanna Pinkham b 13 Sep 1801 and married to Edward Teetheway 16 Apr 1821 at Plympton St Mary. There was a Susannah Pinkham baptized 13 Sep 1801 at Plympton St Mary daughter of Philip and Elizabeth Pinkham. This Philip was born c 1768 and died 5 Nov 1803 was married to Elizabeth Mumford 3 Mar 1782 at Stoke Damerel (verified on Find My Past).

Eventually I hope to complete my task of entering all of these trees into Legacy and then producing a set of electronic charts which I can then share with this newsletter and the Society of Genealogists to go along with the set of charts produced by the earlier researchers.

The link for the original chart (image above):

2. COVID-19

COVID-19 will stand alone I suspect as the most prominent moment in the first twenty five years of this century. The sudden appearance of the Pandemic and its rapid movement around the world will change how we live our life I expect. At 75 I am at the other end of my life but as a child growing up in the 1950s older relatives still mentioned The Spanish Flu remembering with sadness those who had perished. But I have lived the first 74 years of my life without any major sort of catastrophe except for 9/11 which mostly affected the United States but because of the air space being closed over the United States we landed the planes which had passed the point of no return coming from across the Pacific and across the Atlantic. For us, Canada, this was a major accomplishment given that we do not have any large cities on the Eastern Seaboard and old airfields not used in quite a while were brought into play to bring those people on the planes to safety. Mostly American citizens, they were forced to wait here in Canada for another week until their border was opened once again. In the folklore of the east coast this will be a time that is remembered in song for a long time. The warmth of our easterners is well known and they proceeded to make the passengers feel wanted and cared about during their time there. My life changed during this present time of COVID-19 in that my husband had a life-threatening event during the midst of the lockdown which required a hospital stay of eight days and he continues to recover at home. Taking on all the jobs around the home, my genealogy suffered but I have finally managed to catch up.

3. North Molton Parish Records

These baptismal records are transcribed from the fiche of the original Parish Records for North Molton, Devon. I have changed the orientation of the newsletter to make it easier to publish the transcriptions for North Molton directly from my Excel file.
